

Shiamak's – Spring Funk™ 2010

Dear Students, Parents and Friends,

We hope you have had a wonderful Holiday Season and we welcome you into 2010. This year, Shiamak Davar International (Canada) Inc. brings to you more dance and more funk, as we introduce “Shiamak’s Spring Funk”- A showcase that will have all participating students perform like “Stars” on stage in March 2010.

Shiamak’s Summer Funk and Winter Funk shows have been running successfully for almost 9 years in Toronto. Be a STAR! Get ready to sizzle and set the stage on fire at Shiamak’s Spring Funk 2010. Have Feet, Will Dance!!

What is Spring Funk?

The class begins with a 15 minute dance warm-up as Shiamak describes it, “Dancercise” (dance workouts). The next 45 minutes are dedicated to training the students for the dance that will include technical work and choreography. Students are taught a dance routine to a particular edited song and are trained in the finer art of performance. **Spring Funk** is “Your chance to BE A STAR!” Every participant succeeds in gaining Confidence and emerges to be a true star. Each year SDI gives more and more people a platform to experience ‘performing arts’ and discover the STAR within them!!!

Certificates will be given only to students who finally perform at the **Spring Funk** show on March 14, 2010.

Attached below is our class schedule for **Spring Funk** 2010, fee structure and requirements for class. Most of the classes listed below are twice a week.
